

For A Better Plan

Dear Senator Ben Cardin, Senator Barbara Mikulski, Congressmen John Sarbanes, Elijah Cummings and “Dutch” Ruppersberger,

We the undersigned residents of Baltimore City do hereby petition you to help us remove from Postal Service review the 8 Baltimore City Post Offices slated for possible closure. These post offices represent 36% of all City post offices. Most serve low-income neighborhoods where residents rely on accessible & traditional post office services. Please help us avoid the onerous task of appealing possible recommendations for closure. Thank you.
